SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT UNDER
37 CFR § 1.97(c)

Dear Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the references that are listed on the attached PTO/SB/08a Form. The Examiner may deem these documents to be relevant to patentability of the claims of the above-identified application.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

Applicants respectfully request that the listed documents be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609. No Office Action has been issued in the US case as of this date.

Pursuant to 37 C.F.R. §1.97.3(b), the submission of the listed documents is before receipt of the First Office Action. While no fee is expected, should any fee be required in connection with the filing of this Information Disclosure Statement, please charge such fee to Deposit Account No. 01-1125 (**Honeywell International Inc.**).

Respectfully submitted,

Dean, et al.
